About Me

Chess enthusiast with competitive playing experience since school and a strong understanding of chess fundamentals, tactics, strategy, openings, and basic endgames. I participated in school and zonal-level chess competitions and am now looking to begin my professional chess coaching career.

What I Teach

Chess fundamentals · Opening principles · Tactical patterns · Calculation ·
Basic strategy · Positional understanding · Basic endgames · Game analysis ·
Chess puzzles · Practice games

Teaching Approach

- Simple and practical explanations
- Focus on understanding rather than memorizing
- Puzzles and practical positions for tactical improvement
- Game analysis to identify mistakes and improvement areas
- Lessons adapted to the student's level
